Nativity Scene with Craft Blocks and Pouring Sticks

Instructions No. 2901

Difficulty: Beginner

Working time: 1 hour

Our self-made **christmas crib** is puristically beautiful and is a highlight for young and old. With the **handicraft blocks**, the stand for the christmas crib can be created entirely according to your own ideas. The christmas crib and the accompanying people and animals are self-cast and can be kept plain white or coloured and decorated as desired.
